Administrative Action

**MARC M. LEVINE, M.D.**

TO PRACTICE MEDICINE AND SURGERY :  
IN THE STATE OF NEW JERSEY :

**ORDER GRANTING  
UNRESTRICTED LICENSURE**

:  
:

---

This matter was most recently opened to the New Jersey State Board of Medical Examiners ("Board") upon the petition of Marc M. Levine, M.D. for an unrestricted license to practice medicine and surgery in the State of New Jersey. The Board records reflect that in an Order filed on May 14, 2001, Dr. Levine was reprimanded and his license was suspended for one year (stayed) for acts violative of N.J.S.A. 45:1-21(b).

On September 25, 2002, Dr. Levine appeared, without counsel, before a Preliminary Evaluation Committee of the Board and testified in support of his petition for an unrestricted license.

**CERTIFIED TRUE COPY**

Dr. Levine testified that he has paid the \$5,000 civil penalty in full, as well as all of the investigative costs, and that he has successfully completed all of the other requirements of the May, 2001 Order. The Board has received a Certificate of Completion indicating Dr. Levine's participation in a Pre-Trial Intervention program, **where he** had to complete fifty (50) hours of community service.

Dr. **Levine** testified that **he** works as a Staff Physician of the Emergency Department at Community Medical Center ("CMC") in Toms River, New Jersey, where he also holds hospital privileges. The Board is in **receipt** of a **letter** from Mark Meredith, M.D., Chairperson of the Emergency Department at CMC, stating that Dr. Levine has been a "valued**member**" of the staff. Dr **Meredith** stated that Dr. Levine's skills are "excellent" and that his "interaction with patients and staff have **made** him an example to others in the group,"

The Board finds Dr. Levine to have been credible and forthright in his testimony and further finds that he has satisfied all of the requirements of the May 14, 2001 Consent Order. The Board finding **the** within disposition adequately protective of the public health, safety and welfare,

IT IS on this 15<sup>th</sup> day of January 2003

ORDERED:

1. Marc M. Levine, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.

NEW JERSEY STATE BOARD OF MEDICAL EXAMINERS
